None
6. 2018 Lake Monitoring
 - Draft report on inlet/outlet sampling and lake modeling was handed out to board.
 - Mike A gave overview of report on three lake monitoring (Inlet/Outlet & Lake monitoring) and comparing lake models.
 - Gages & Druce external phosphorus primary (BMPs), Third lake mostly internal phosphorus (aeration).
 - WILMs only applicable for lakes that stratify
 - Work with Sharon for presentations to lake groups she can talk about WMB grants
 - If lakes committee has any comments on report – send to Mike Adam by Feb 8th.

7. New Business

- 2019 Work Plan : Discussion on how best to use lake committee money
 - Third lake would like better identification of pollutants
 - Cost-share grant option with money. What is/isn't allowed, prepare on agreement.
 - Communications plan: ideas on projects available for lakes. Workshops & Field demonstrations of projects that would be useful for whole watershed.
 - Other: Conservation @ Home : Riverwoods & Lincolnshire focusing on Des Plaines River Watershed.

8. Other Business

- IL Water Quality Standards – changes to chloride standards
 - Open to public comment standards are changing to a seasonal structure .
 - LCHD would like to make some comments about lakes.
- ILMA annual conference good list of speakers, happening in Crystal Lake end of March.

9. 2019 Lakes Committee Meeting Dates: April 25, July 25, October 24

- Will do an additional meeting likely early March to finalize options for 2019 funding to submit to executive board.

10. Motion Adjourn:

Rob Flood made motion to adjourn. Alana Bartolai second. Meeting adjourned at 11:08 AM.
